

**Beth M. Meany, Director of BrownFlynn Learning**

bethm@brownflynn.com

A Clevelander at heart, Beth grew up in Northeast Ohio but has spent the last 25 years working and living around the world, including spending time in Dallas, Washington D.C., New York, Boston and most recently, the Netherlands. Beth and her family returned to Cleveland this year because they believe that Cleveland is one of the best places in the U.S. to live, given the quality of life and its residents. Beth's corporate background includes working for Coopers & Lybrand and Kraft General Foods. She also taught corporate finance at a college in the Netherlands. Beth's background as an M.B.A., C.P.A and a CSAP (certified sustainability assurance planner) suits her well as she heads up BrownFlynn's new training and learning division, *BrownFlynn Learning*, which helps companies, organizations and individuals prepare for the spread of voluntary and mandatory ESG disclosure in the form of non-financial reporting.
