

# Cora Lee Mooney

ASSOCIATE CONSULTANT AND TRAINER

## CREDENTIALS

- MA and ABD Status in Philosophy  
University of Wisconsin, Madison
- MA, Liberal Arts  
St. John's College
- BA, John Carroll University

At BrownFlynn, Cora Lee leads the training programs, works with GRI reporting clients, develops client white papers and has conducted more than ten training sessions on the Global Reporting Initiative.

Cora Lee Mooney has experience in corporate training and curriculum development, university instruction and consulting. She was a trainer and lead instructor at Mad Science of Cleveland, a company that strives to spark children's interest in science using hands-on learning. She has twelve years of university teaching experience and has developed numerous corporate training guides for both non-profit and for profit organizations. Additionally, she directed a team that composed and produced an evaluation manual designed to navigate and utilize the specialized laws for Ohio Charter schools.
