Instructions for viewing "The GRI Snapshot"

**The GRI
Snapshot**

**Viewing
Instructions**

If you participated in the original webinar:

There is no need to register. Simply [log in](#) with your username and password, and click on the webinar link. Note: You have 30 days to view the webinar after initial log in; after 30 days the webinar will expire. Please allow the webinar to buffer and load completely before trying to view it. If you don't you will not be able to rewind or fast forward at will – the video will freeze.

If you did not participate in the original webinar:

You must first [register](#) and pay via our website. The registration page will prompt you to enter your email address (which will serve as your username) and ask you to make up a password (it can be anything). Upon registering, you will receive a confirmation email that has a direct link to log into the website to view the webinar. Note: Upon registration, you have a 90-day window in which to initially log in. In this timeframe, you have 30 days to view the webinar from initial log in. Please allow the webinar to buffer and load completely before trying to view it. If you don't you will not be able to rewind or fast forward at will – the video will freeze.
